Dear Friend,

Blackberry Canyon Animal Society is the lucky recipient of sponsorship from **Pet Evac, LLC** which has allowed us to bring you a special gift for your best dog friend. A FREE Good Dog Block awaits you at www.iamagoooddog.com and when you sign-up (did we mention it's FREE), BCAS receives a cash donation. And that's not all! When you build your FREE Good Dog Block, your best dog friend will receive some cool digital gifts and be entered into a drawing to win a Good Doggie Bag valued at over \$100. It's FREE, FUN, QUICK and EASY!

And there's more! Pet Evac, LLC is extending a **25% discount** to all BCAS supporters so please visit our sponsor's website and take advantage of their generous discount by following this [special link](#).

iamagoooddog.com is a site that aims to recruit thousands of Good Dogs from around the world and use the proceeds to fund the production of the feature film "Good Dogs". Once complete, the film will be made available to non-profit animal groups everywhere, to screen as a fund-raiser. By building your FREE Good Dog Block today, you not only help Blackberry Canyon Animal Society, but you potentially help hundreds, if not thousands, of other animal groups.

Thank you for your continued support and enjoy!

Sincerely,

Blackberry Canyon Animal Society
